

**Reflection** There is something incredibly comforting in today's Gospel. In all of God's creation, in the vastness of a universe beyond our imagination, we are chosen and invited to share in the very life of God. As the same preface continues, "...yet you formed us in your own image, and set us over the whole world in all of its wonder..."

In the immensity of the Universe we are so tiny as to be utterly insignificant, yet in the eyes of God we are the ones who are vast and possess a dignity which is incalculable.
