

Friday 20th Sept at 6.30pm

We invite you to attend A talk with George Lee

St Johns Cathedral in association with Culture Night will be hosting a Talk and Q & A on the History and Evolution of the Cathedral Building. This will include curious and little known facts from the last 160 years.

This event will conclude with an organ recital at 7.30pm .

The Season of Creation is a time for us to renew our relationship with our Creator & all creation. The season starts 1 September, the Day of Prayer for Creation, & ends 4 October, the Feast of St. Francis of Assisi.

In this year's message for Season of Creation, the Pope tells us that the protection of creation is an ethical issue, and also a question of faith. So let us work on creating the right attitudes in our lives, let us try to look at the world with the same awe and wonder of a child, let us wonder at Nature, let us think how we can contribute to help heal the damage created in this world. In this season of Creation, let us dare to dream and hope that our love for Nature, for all living plants, animals and human beings can unite us all, bring us together healing fears and divisions.

We encourage you to visit Trocaire's website at: www.trocaire.org, where you can find a wealth of information and resources for not only the Season of Creation, but also all of the other valuable work carried out by Trocaire all over the world.

Split the Pot

Congratulations

Chloe O'Halloran
Winner of last weekends
Draw 8th Sept 2024

Envelopes available at the
back of the church.

Priests of the Parish
Canon Gerard Garrett
Fr Leo McDonnell
