Reflection: We must have faith in the power of God's word. It is the instrument by which God effects his purpose. It does not work automatically, but grows in a soil of faith and prayer. We have to be concerned about teaching, preaching and praying the word and to work to ensure a receptive soil. Like the Sower in the parable, we own the words we use. They are 'our' words and each one of them will grow and flourish and provide food to sustain us or will lie useless on the ground, withering and dying, tangled by weeds and of no value to anyone.
