

Preparing for New Life

A series of Lenten Reflections on Zoom with Sr Therese Fitzgerald

7:30pm to 9pm each Monday for 6 weeks
from 22nd February through to 29th March

New beginnings and possibilities often emerge after difficult times. The last days of Jesus' life were full of challenge, rejection, betrayal and loss for Jesus and his followers. But they were followed by Resurrection with new life for all. Reflecting on the stories of the days leading up to the death of Jesus can help us prepare for the new life that is offered at Easter.

€15 contribution is requested, covering all 6 nights
