

## Parish Newsletter Sunday 28th July 2024

**Reflection:** The Last Supper takes place in 'an upper room'. It is at a certain address, in a certain street; it is, in many ways, restricted by space, size and time. John's Eucharist happens in the 'open air'. There is no address except the place where they encounter Jesus. It could be anywhere and everywhere.

Wherever a group of believers gather, that's where Eucharistic Community happens. It's what the Church actually is - a group of believers gathering to share a meal with Jesus, uniting ourselves with him through his journey to the Cross, to his Resurrection and onwards to the coming of the Kingdom.

Any crowd can come together and form a community, but that Community can only be a Eucharistic community when it is truly and transparently inclusive. No one can be excluded, and all have a contribution to make.

The Youth 2000 Summer Festival 2024 will take place August 15th-18th at Clongowes Wood College, Co Kildare
