

Religious Education and Faith Development classes (REFD)

For children who do not attend Catholic schools

The Diocese of Limerick provide Religious Education and Faith Development classes (REFD) for children who **do not** attend Catholic schools on a weekly basis from Oct to May. This term, in light of the Covid 19 pandemic, the Diocese will not be providing face to face classes but will provide support for parents of children in first, second, fifth and sixth classes only to begin/ continue their child's religious education at home in preparation for First Communion and Confirmation. If you would like your child to begin/continue their preparation for the sacraments, please register on the Diocesan website (www.limerickdiocese.org) by Friday Oct 9th. Please note that children who wish to receive First Communion or Confirmation must attend religious education classes for 2 years prior to receiving the sacrament. The Diocese will review the possibility of holding face to face classes in the New Year in December
