

 **Liturgy Corner**

The Liturgies of the last week reminds us of the awesome love of God for every person. *Today on Easter Sunday we celebrate the victory of love over hatred, the victory of life over death, the promise of the gift of eternal life for all who accept Jesus as their Saviour.* When Jesus rose from the dead, he gave hope to all who mourn for a loved one. He reminded us that there is always hope even in the darkest situations.

“The Gospel witnesses to the Resurrection report an important detail: the risen Jesus bears the marks of the wounds in his hands, feet and side. These wounds are the everlasting seal of his love for us. All those who experience a painful trial in body or spirit can find refuge in these wounds and, through them, receive the grace of the hope that does not disappoint.” *Pope Francis*

We celebrate the life, death and resurrection of Jesus and renew our commitment to living in his honour. May the experience of joining in the liturgy always be a renewal of our lives in the Christian way.
