

Reflection

The power of Pentecost, the energy and enthusiasm and joy it provoked in the small band of Jesus' followers huddled together in that upper room, most surely be because the coming of the Holy Spirit allowed them to break out of their narrow boundaries and see, for the first time, that everything they believed about God as Jews, and everything they witnessed in the life, death and resurrection of Jesus, came together in one word, **Love. Love unites all languages and all cultures.** Jesus said that he would not leave us orphans, that we would never be alone, and that he would be with us always, until the end of time.

Today, Pentecost, God fulfilled that promise once and for all.

God dwells within us.....
