Parish Newsletter

Reflection:

Jesus is asking us to be careful that we do not dismiss even our smallest acts of love, kindness, forgiveness or compassion. Great things can happen because of our smallest and seemingly insignificant words or actions. Our small acts of kindness can make great difference to someone. We need to remember that what we say, do and how we treat each other can either tear a person down or build them up. We are all 'mustard seeds', each of us having within ourselves the ability to accomplish great things for God's Kingdom. The 'mustard seed' that Jesus calls us to be aware of is that 'divine spark' of God that we each have within us. This enables each of us to contribute to the living and spreading the good news of the gospel, no matter how small our efforts may seem. This 'mustard seed' faith tells us that even the smallest acts of compassion can spread further and wider than we could ever imagine or dream of.
