Reflection

The Kingdom of God is about how we live our lives with each other as followers and disciples of Jesus. We are called to promote and build the Kingdom of God here and now as we prepare to enter into the fullness of the Kingdom at the end of time. But the challenge and responsibility is for us to be people of light where there is darkness, to be people of hope where there is despair and to be people of good news where there is fake news. The work of building God's Kingdom begins here and now.
