Reflection

It is often through very small seemingly unimportant deeds, actions and gestures of love that our love for others and our faith can be seen and made visible. One poet wrote that *God is the bits and pieces of every day*. We should never underestimate the power of a small gesture such as a smile, a hand on a shoulder or a kind word. These small acts of kindness are how in our daily lives we show how we love God and our brothers, sisters and ourselves with all our heart, mind and soul.
