

Reflection Today's Gospel and stories like this one, (for instance, Jesus meeting the Samaritan woman at the well), bring us close to the Jesus who walked those roads of Israel two thousand years ago.

They show us a man of his time and of his culture, just as we are all people of our time and people of our cultures. We don't need a Jesus to have all the answers to all the problems of our world. Isn't it enough, and isn't it simply awesome, that he came among us, as one of us, to show us God's Love and invite us to share in God's own life.
