Every Catholic is entitled to a dignified Christian burial. Attendance at Funeral services and Masses should be limited to close relatives and must not exceed 100 attendees within the Church building.

Similarly, Church weddings and baptisms may be celebrated on condition that the attendance in Church does not exceed 100 people.

In the current emergency situation, all are dispensed from the obligation to physically attend Sunday Mass. Parishes should inform parishioners of the local possibilities to participate in Mass via local radio and on line. It may be possible for some parishes to facilitate attendance at Mass while still observing the health authority's limit of 100 people.

This is an occasion for all of us – especially in families -to pray more intensely for each other and especially for those who have succumbed to the illness. We should pray also for those in the frontlines – especially doctors, nurses and medical staff and other carers, including clergy – that the Lord will protect them as they place their own wellbeing at risk in the service of all.
