Parish Newsletter

Welcome to our Parish Website

We want to make our parish website an interesting and worthwhile location for both parishioners and visitors to keep up to date with what's happening in our parish. We hope that all parish and community groups will see it as a useful resource for getting information out to people. We invite groups within the parish to contact us if they would like to have their information included on our website or their website linked to ours. If there are any courses/activities running within the parish we would be happy to include them in our notices. There are information cards regarding the website available in the Cathedral and the website can be found at www.limerickcathedral.com. We welcome your feedback!
